Dear [REDACTED] 25X1C

I am forwarding herewith a copy of the economic research program of the Office of Research and Reports for the calendar year 1953.

Any comments you might have on the ORR program would be welcome. Moreover, I hope that, with adequate security precautions, this document will be circulated among your analysts in order to encourage discussion of and an exchange of ideas between our people working on related projects.

We would greatly appreciate receiving a copy of any programs covering the Soviet Bloc economy that you may adopt for the coming year.

Sincerely,
